PARISH PICNIC 2024

From the Rector

He has told you, O mortal, what is good; and what does the Lord require of you but to do justice, and to love kindness, and to walk humbly with your God?
Micah 6:8

Dear Parish Family,

How can I make a difference? Where can I help? What resources can I offer when there is so much demonstrated need? Will any of it really matter?

Perhaps like me, you find yourself pondering such questions from time to time. With so much going on in the world, the nation and the community, our sense of personal agency to make a meaningful impact can easily feel diminished or even empty.

It's too much! I can't fix it!

How wonderful, then, that we have been given some beautiful and gentle reminders of the big picture in our Gospel readings this season.

More than once we have been shown nameless and seemingly unimportant human beings who - through Christ - have been a part of something miraculous. Several weeks ago we read about the woman who had been ill for years and years. Her demonstrated faith - in simply touching Jesus' cloak, brought about her healing. This weekend we are introduced to a nameless boy in a huge crowd, who happens to have a seemingly insignificant amount of food (two fish and five loaves). Again, Jesus takes something small and works wonders - so much so that thousands are satisfied.

Yes, there is so much need in our broken world. We aren't expected to fix everything. I do believe, though, that Christ calls upon us to bring the best of what we have, and the faithfulness of who we are - to him. In that offering he will do his wondrous work - one person and one day at a time.

Where to begin? I've always appreciated the simple phrase "Do the right thing." I believe that is the spirit offered by the prophet Micah. We begin to bring our gifts to God's handiwork by being just with our words and actions, offering kindness in every situation, and maintaining humility in all that we do.

Thank you for all the ways you demonstrate Christ's love. You can be sure it does indeed make a difference.

Blessings,

The Rev. C. Phillip Craig, Jr.

Vestry Corner

Here at the coast, August is the time when we get to relish in the full heat of the summer. It's also the time we try to take advantage of any last-minute summer fun gatherings with friends and family before the seasons change. Take time to pause, reflect, and appreciate. We are officially entering the second half of the year. We have many things to be thankful for, and our community is the heartbeat of our Parish. Thank you for all you do.

St. James Parish downtown will be buzzing with children's laughter during Vacation Bible School August 5 - 8. Any last-minute volunteers are always welcome. We love involving all generations in Vacation Bible School. Our children will strengthen their relationship with Jesus, and we hope you will come and meet a few new faces in our Parish.

Recently Perry Hall received a new Air Conditioning unit, as the last one was over 20 years old. We are thankful to keep our beautiful building up and running during these hot months.

The Vestry has our annual summer retreat August 9-10th. We will spend time in fellowship, and also discuss the future needs and growth of our church. The Tricentennial is also a large focus as we plan for a long celebration leading up to November 2029. Please speak up if you would like to be involved.

Many families around New Hanover County will start school back in mid-August. And we are proud to report your donation of over 60 book bags went to the Episcopal Farm Worker Ministry to help send their children back with all the essentials. Thank you. Keep an eye out for school buses as they will make their August debut soon.

Save the date for September 8th as we will all gather again downtown. This year, Welcome Sunday will be a wonderful celebration for all ages and generations of our Parish family.

We have opened up the registration for the Parish Family Retreat at Camp Trinity, it will take place September 27-29th. Last year was a wonderful weekend filled with all ages, we hope you can join us here in 2024. Check out more details within the Grapevine.

Blessings to all for a healthy and safe summer.

Rachel Colonna - Junior Warden

On Thursday, August 1st, all are warmly invited to attend as we celebrate the ministry of John Sullivan.

Join us from 5:30-7:30 p.m. at the City Club in historic downtown Wilmington as we set aside some time to thank John for his years of kind service to our parish family. WELCOMING TABER STOCKSTILL- TORNES TO THE TEAM

St. James has the opportunity to introduce a supplementary role to support all of the wonderful work being done around our Children's Programs. It is with this in mind that we would like to joyfully welcome Taber Stockstill-Tornes as our Interim Children's Ministries Coordinator. Taber has been a member of St. James since early 2021 and felt at home right away. She grew up in Oklahoma and was very active in youth groups at a Lutheran church. In college, she was a youth director for high schoolers. After college, she moved to Chicago for love. It all worked out because she and Kevin have been married for 5 years and have a 2.5-year-old son named Howie. She has worked in nonprofits, childcare, as a doula, and as a virtual assistant since graduating from the University of Oklahoma. She is looking forward to being a part of the youth at St. James! We very much look forward to her work with the children of our parish family. Taber can be reached at childrensministries@stjamesp.org.

CURRENT OPPORTUNITIES

Our parish staff is in a time of growth and transition. As such, we have two roles currently open for applications. We anticipate additional opportunities to be added as we move forward together. With this in mind, we invite you to share the job descriptions with those whom you feel might be a good candidate.

- **ASSOCIATE RECTOR** - We are seeking an Associate Rector who will collaborate with and support the broad ministries of three full-time clergy (including this position) as well as staff and lay leaders. The Associate Rector will share in liturgical leadership, pastoral care and teaching of the parish.
- **DIRECTOR OF STEWARDSHIP** - St. James Parish is looking for a Director of Stewardship to support the mission, vision and ministries of St. James Episcopal Church through the professional administration of the church's development and stewardship ministries. Faith-based philanthropic experience is a plus. Understanding and utilizing language which honors and encourages financial giving as a spiritual practice will be essential.

Interested Candidates should send a resume and cover letter to The Rev. Phillip Craig at phillip@stjamesp.org.

2024 PARISH RETREAT: COME TO THE TABLE

Friday, September 27 - Sunday, September 29 | Trinity Center

We welcome our parish family to attend this year's Parish Retreat, where we will reflect in the shared faith and relationship that we bring and receive at the table. As followers of Christ once journeyed long roads to arrive in upper rooms for breaking bread, we too are each on our own spiritual paths. Whether in practices and rituals around the tables of our homes, in the sacred Eucharist at the table of our church, or in ensuring our tables invite the work of justice and peace, we hope to inspire a deeper value of the spiritual place of these tables. Come join us for times of individual, small group and community contemplation of the story of the Road to Emmaus for adults, youth and children alike. We will learn and play as a parish family. Join us as we explore this story in a variety of methods as well as have time for relaxation and respite. All are welcome to be a part of fellowship, food and fun at Trinity Center.

“TELLING YOUR STORY” THROUGH GUIDED AUTOBIOGRAPHY

Many people would like to share the stories of their lives, but aren't sure where to start, what to include, or what to leave out. Sorting through our own history can be overwhelming!

Guided Autobiography offers wonderful tools to help people recall, write, and organize their stories. After each class, participants write one story at home. During the next class, participants share just two pages of what they wrote with a small group of about six other people, all committed to confidentiality.

Research shows that writing stories and sharing them with others is very stimulating for the brain. One researcher said that writing and sharing stories is “like chocolate” for the brain.

As stories are shared, class members often discover

- a sense of connection with others.
- new insights that are not available from journaling or writing alone
- new perspectives on life events
- new appreciation of their own lives.

Guided Autobiography was researched and developed by Dr. James Birren (USC). It has been used for more than 45 years as a method to help people in the US and throughout the world recall and share their stories. Guided Autobiography has been offered at UNCW through the Osher Life Long Learning Institute (OLLI) in Wilmington.

Here at St. James, Mary McKnight, a retired Presbyterian pastor, will be offering Guided Autobiography for 7 weeks in the Fall. From experience, she knows that being in a Guided Autobiography group can be a rich and very meaningful experience.

Classes at St. James will be held on 7 Tuesday mornings, from 9:00 - 11:00. The dates are September 10, 17, 24 and October 1, 8, 15, 22.

Space is limited to 12.

Before signing up, please check your calendar to be sure you can commit to the whole 7-week process. The classes and resources build on each other, offering new tools each class, so this is not a “drop-in” class.

Register on the St. James Website:
<https://www.stjamesp.org/blog/story/>

Having trouble registering? Contact Erin Becker at communications@stjamesp.org

The suggested donation is \$45 (scholarships are available).

EDUCATION FOR MINISTRY

Do you have questions about your faith? Most people do and find it challenging where to start to discern answers. Education for Ministry was developed by the School of Theology in Sewanee Tennessee to provide a way for people to work through those questions. This four-year course of study provides the framework for groups to connect faith to their daily lives through reading and discussion resulting in developing a balanced theology of spiritual maturity.

EfM invites participants into small mentored groups that provide the framework for understanding life and shaping actions as Christian Faith is deepened. The EfM seminar provides a curriculum that develops theologically informed, reflective and articulate laity who have discerned God's call.

As an EfM participant, you will learn how to articulate your faith, and how to shape your faith into action. Your EfM experiences will lead you to become involved in ministries in our community where you can make a difference. I would be glad to speak with you to learn more about EfM. We hope you will want to join us! Our group meets on Thursday evenings at 6:30 - 8:15 pm from the end of Sept.- through May. Call or email Karen Clark (group mentor) (clarklc11@gmail.com) 910 232 2427 I would love to talk to you! We have a few open spots in our Thursday evening class.

THANK YOU FROM 2SHARE FURNITURE

2Share would like to thank the parishioners of St. James Church for their support. Through your furniture donations and financial support and volunteer help, you are giving people hope and dignity in their lives by providing them with their basic needs. Your help goes directly to where it is most needed in our community. In the second quarter of this year, with the help of St. James we have made 74 home deliveries to 176 citizens, 102 of which were children. Since November 2018, 2Share has delivered to 900 households representing over 3,000 people (2,000 of which are children). We are grateful for your support. Blessings to all.

ST. JAMES YOUTH

GIVING THANKS FOR GLORY RIDGE

by Maggie G.

During my mission trip to Glory Ridge, I was able to witness and be a part of a community, that although experiencing profound hardship, is a resilient and strong community. Being able to meet locals, hear stories of their lives, and see the joy and passion through the midst of chaos changed my perspective on hardship.

I had the opportunity to work at the animal shelter throughout the week. Working at the animal shelter ignited my passion to volunteer and serve others. Although I did not have a traditional worksite with a constant resident to help, I was able to provide service to the few workers who worked at the animal shelter. In the past weeks, roughly 7 out of 9 staff members quit their jobs and the animal shelter was in desperate need of service. Being able to see the residents of Madison County come together to help the animal shelter from falling under taught me the true meaning of community service, gratitude and the power of compassion shown every day.

Not only did my worksite throughout the week show me the true meaning of compassion, I also saw it through the bonding of the Wilmington and Alabama friends. Being able to connect with the Alabama kids was one of the most rewarding experiences of my week. Regardless if we became friends through shared interests, or chance encounters, or our assigned job sites, each new friendship gave me even more joy throughout my week at Glory Ridge. I am a commonly shy person in new crowds but these friendships taught me the importance of an open mind and putting myself out there even when it is uncomfortable to do so.

I hope to continue to go every year, becoming more fulfilled in the silence and peace of the Ridge. I will work to help more residents of Madison and Walnut, one day, finally winning the golden plunger, glorifying God (even more!) and making work worship!
